

CRACKDOWN

Heavy-duty liquid alkali degreaser specially formulated for the removal of oils, fats & grease from food preparation and processing areas.

- Safe for use on most painted and unpainted surfaces
- Surfactants remove soil and prevent it from redepositing on surface
- Fast-acting formula
- Available in 5L, 20L, 200L & 1000L

Dilution & Application

For use on painted surfaces: 1:20 – 1:40

For use on unpainted surfaces (eg. heavily soiled floors): 1:10 – 1:20

For degreasing of ovens & grills 1:1

Apply with foaming unit. Surfaces must be rinsed well with fresh water after use.

Wear appropriate PPE when applying. Do not use on polished floors.

For safety and handling information please refer to the Crackdown SDS or consult your ChoiceChem representative.
